MATTAPOISETT SWIMMERS VICTORS IN NEW BEDFORD

Mattapoisett's fine group of young swimmers invaded New Bedford to compete in the annual Swimming Meet and Water Carnival held at the New Bedford Municipal Beach on Sunday and walked away with a lion's share of the swimming honors. Last week we had an exhibition by our local youngsters which was very impressive. It is a fine tribute to their determination and to the Mattapoisett training program under swimming instructors, Albert Boucher and Jacqueline Gasse that members of this same Mattapoisett group took 13 out of the 28 trophies at the New Bedford event. This included the taking of 5 first places out of 9 events. Since the meet was open to swimmers from all over this area, it was of the stiffest kind of competition. We salute the Mattapoisett boys and girls for their spirit and skill in this fine series of victories.

In the 25-yard dash for girls of 12 years or under Maureen Duff took first place. Alicia Crabbe finished fourth. In the same event for the boys Larry Smith finished fifth in the finals.

In the 50-yard dash for girls 16 years or under Nancy Peck won second place and Susan Baxter finished right behind her in the third

The 200-yard relay team was composed of Greg Tuxworth, Mike Flad, Craig Delano and Ed Walsh. In a very close race against a New Bedford team this group took first place.

COMPLETING THE RECORD - MATTAPOISETT WATER CARNIVAL

Last week in the Mattapoisett swimming meet Ed Walsh set a new record in the mile swim with a time of 23:29 breaking a record held by Loren Kerst. The former record time was 24:50.

Our list of last week's winners in the Mattapoisett event contained a gap which we didn't catch at that time. Barbara Harriman and Craig Delano both placed second in the mile swim in Mattapoisett, winning beautiful trophies for their fine showings. Both deserve congratulations on a great swim over the long distance event.

On the same program the Mattapoisett volleyball champions were Norm Secia, Henry Knutsen, Ed Shaw, Richard Boyd, Sherm Rounseville and Charlie Fermino.

EXHIBIT OF WHALING CURIOS

The Mattapoisett Historical Society has prepared a special summer exhibit of new and different whaling items which relate to the history of Mattapoisett. The society which has been very active since the acquisition of the museum has worked very hard on the various exhibits that have been held and they have been very worthwhile.

This latest exhibition features two very fine whaling paintings, 4 whaling prints and an interesting collection of scrimshaw loaned by Mrs. David Todd. A really stunning picture of the bark Gay Head has been loaned by Mr. Winfield Jenney. Mr. Jenney's grandfather, Joseph R. Jenney, was master of the Gay Head on her first voyage. The Whaling Museum in New Bedford has loaned some very fine ship models and paintings of whalers. One very interesting model of a whaleboat shows all of the gear used in the catching of the whale in perfect proportion. In addition, they have loaned some scrimshaw and many other valuable items from the New Bedford Museum. Mr. George Avila has loaned his collection of scrimshaw work. Many interesting log books are open on display as well as ships' papers, journals and letters. Miss Minerva Sparrow has prepared a display which illustrates the catching and processing of the whale. It shows the entire operation from the harpooning to the cutting in of the giant mammal.

Mr. Benjamin Water of Marion has loaned a large lantern which was salvaged from the battleship Maine after she was sunk in the Havana Harbor in 1898.

There is a variety of exhibits as you can see in this new showing at the historical museum on the corner of Church and Baptist Streets in Mattapoisett. The summer residents who have not visited the museum will be interested in the building itself. The old Meeting House was built in 1812 when Mattapoisett was entering its greatest period of shipbuilding activities. It has been beautifully restored and is itself an interesting exhibit. It is
